CIC CIB supports VTG in the refinancing of one of its loans.

CIC Corporate & Institutional Banking is very proud to support VTG, a leading player in rail freight wagon leasing in Europe, in the refinancing of one of its loans. The successful refinancing provides further support for the company's strategic objectives and long-term growth ambitions.

CIC CIB has been working with VTG for several years and will continue to support the company in its future projects.

This transaction is fully in line with the Crédit Mutuel Alliance Fédérale Group's strategy to decarbonize and support the development of the rail sector.

About VTG

With decades of industry expertise and a forward-looking mindset, VTG moves you forward. Founded in 1951 and headquartered in Hamburg, Germany, the company operates in over 20 countries across Europe. With a fleet of more than 75,000 wagons, VTG is Europe's leading rail freight wagon lessor and a trusted partner for tailored rail logistics solutions serving a wide range of industrial sectors. Guided by its strong heritage and commitment to innovation, VTG delivers continuously evolving solutions that help customers' businesses stay one step ahead.

About CIC Corporate & Institutional Banking

CIC Corporate & Institutional Banking unites all of Crédit Mutuel Alliance Fédérale's corporate and investment banking expertise under a single brand. CIC Corporate & Institutional Banking draws on recognised expertise in the fields of corporate banking, capital markets and asset servicing, both in France and in our international branches. These areas of expertise are brought together under a single brand and form part of an integrated organisation structured around coverage and global business lines.
